

Leica Viva

Let us inspire you

Let your measuring Visions come True

Welcome to Leica Viva

Surveyors are constantly faced with ever changing circumstances. Changing economic conditions, legal regulations, the emergence of new technologies and increasing competitive pressure affect their working environment. Visions arise from the interaction of your experience, your knowledge and your creativity. The fulfillment of your visions into reality is what makes the profession of a modern surveyor so exciting – and what makes those who manage this achievement successful.

Inspiration and Innovation

Unique ideas and solutions arise through inspiration and confidence in your abilities and in those of your partners who accompany you in your process.

Let us inspire you – to find the right system that makes your visions come true.

We at Leica Geosystems know the importance of mutual trust and inspiration. That is why we not only continuously create innovative products but also care about our customers. Our Active Customer Care program made us an inspiring and reliable partner for our customers. With 200 years of experience and world-leading expertise in measurement technology combined with our fascination and innovation are integrated in Leica Viva: A surveying system that knows no borders.

... let us inspire you

Your Vision: a Complete surveying System

Welcome to Leica Viva
You won't find a more versatile System

With Leica Viva you have a comprehensive system;
every vision on every scale becomes a reality with
ease. Realize your visions today and tomorrow.

Leica Viva TPS & GNSS

Leica Viva TPS

Leica Viva GNSS

Leica Viva Controllers & Software

4 elements of Completeness

1

Viva GNSS

Leica Viva GNSS is a complete range of versatile GNSS solutions for you. From completely integrated, to totally modular solutions; Viva GNSS provides a system to master all of your tasks.

Your benefit – simply select the ideal GNSS solution for today and tomorrow.

2

Viva TPS

Leica Viva TPS is the fastest imaging total station. With a complete portfolio of models, best-in-class one-person surveying, unmatched EDM performance and new levels of ease-of-use, you'll always find your ideal total station.

Your benefit – just choose the best total station to finish jobs faster.

3

Viva GNSS & TPS

Leica Viva provides a complete range of GNSS and TPS solutions. With the unique SmartStation and the versatile SmartPole, fewer set-ups are required, fewer control points are needed and your flexibility is maximized.

Your benefit – complete surveys faster with far greater flexibility.

4

Viva Controllers & Software

Leica Viva contains a unique portfolio of wirelessly connected field controllers. With a complete range of easy-to-use software your work can start immediately and be finished faster than ever before.

Your benefit – simply select your perfect controller and software for unrivaled efficiency.

... let us inspire you

Your Vision: a Partner to Trust

Welcome to Leica Viva You won't find a more Trusted Partner for your Success

With Active Customer Care, Leica Geosystems and Leica Viva are redefining trust to guarantee your satisfaction. Realize your visions today and tomorrow.

4x Trust

1

Your Trusted Organisation

Leica Geosystems and its world-wide network of trusted Distribution Partners bring decades of experience in delivering total customer satisfaction, true Active Customer Care.

Your benefit – at every step of your success you have a trusted partner to rely on.

2

Your Trusted Service

With a world-wide network of authorized technicians and workshops, Leica Viva offers unsurpassed technical service.

Your benefit – in case of instrument repair or maintenance, keep working with a replacement instrument and your equipment will be hastily returned in prime condition.

3

Your Trusted Training

Leica Viva incorporates a complete portfolio of training solutions specifically designed to meet your requirements and schedule. Delivered by industry experts, training can be conducted on-line, in a class-room or one-on-one.

Your benefit – learn how to get the most from your equipment at your own pace and convenience.

4

Your Trusted Support

Leica Viva includes an expansive organization of knowledgeable professionals to provide valuable support if ever needed.

Your benefit – minimize down-time by always having an expert available to guide you back to full productivity.

... let us inspire you

Whether you want to stake-out an object on a construction site or you need accurate measurements of a tunnel or a bridge; whether you want to determine the area of a parcel of land or need the position of a power pole or to capture objects for as-built maps – you need reliable and precise data.

Leica Viva combines a wide range of innovative products designed to meet the daily challenges for all positioning tasks. The simple yet powerful and versatile Leica Viva hardware and software innovations are redefining state-of-the-art technology to deliver maximum performance and productivity. Leica Viva gives you the inspiration to make your ambitious visions come true.

When it has to be right.

Total Quality Management –
our commitment to total
customer satisfaction.
